

UNUSUAL PROCESS CONNECTED WITH THE "OMEGA DIRECTIVE", REQUIRING HUMAN'S LOADING OF APPARENTLY ALL RELEVANT LIVE'S IN THE 20-CYCLE CONTINUUM WISDOM FOUND IN THE GREATER AKASHIC RECORDS. GLYPHS APPEAR TO BE A DOWNLOAD COMMAND AND STORAGE MATRIX FORMED BY THE SOUL REQUIRING IT.

THE GATE RELATES TO A SACRED GAP BETWEEN THE DOUBLE-OMEGAS AND ACTS AS THE "EDEN GATE" (GEN 3:24) OPENS TO A TOTALLY PRISTINE LAND (EDEN) AS BASIS FOR THE NEW UNIVERSE TO BE POPULATED WITH THE ADAM-KADMON (NEW RACE). A GROVE OF TREES (9) FORM THE OMEGA SIGNATURE, EACH AN EDEN TRIUNE-TREE.

GLYPHS APPEARED IN SESSION 21 JAN 2011 AS SILVER ON A BRONZE COLORED WALL. CREATED BY SUBJECT-PERSON WHO ETHERICALLY SAT UP AND EYES PROJECTED LIGHT LEAF-GREEN BEAMS THAT CREATED THE GLYPHS IN SEQUENCE. THIS FOLLOWED THE APPEARANCE OF MANY URNS FILLED WITH "ESSENCE AND ASH" (CHARGED RELIQUARIES) OF LIVES IN THE PAST HALF-MILLION YEARS (LENGTH OF THE 20-CYCLE NEW RACE, ETC. CONTINUUM PROJECT). WHEN GLYPHS ESTABLISHED, SUBJECT VERY RAPIDLY SHAPE-SHIFTED TO EACH SOUL-PERSONA ASSOCIATED WITH EACH URN, LOADING THE COMPOSITE GREATER AKASHIC WISDOM IN THE "WINGED ARCHIA" CENTER (EDEN POINT) IN THE BODY. THIS CONTINUUM-BODY HELD BY THE SESSION LEADER.

INNER-PLANES OVERSEERS: THOTHORRA AND SESHETA, MENON AND CALCENAIA, ARCHANGEL TADZEKIAL (GATE OPENER), AND UNNAMED BEINGS WHO HAD EXTENSIVELY PREPARED THE SUBJECT'S LIGHT BODIES FOR THE PROCEDURE.

THE LAST GLYPH IS A BAR THAT MAY BE A TELEPLANE FOR RECORDING THE ACCESS SIGNATURE AND THE INFORMATION DOWNLOADED.

THR'S ENIGMATIC COMMENT TO THE SUBJECT-PERSON:

"As you earlier had no idea of the Omega Directive, you have no idea of your future, but what you allowed today will take you where you need/want to go.... As always, you are under my guidance and protection *as this is going to be quite the adventure!*"

ThothHorRa Khandr/Maia:

"These symbols are universal triggers for the brain-mind which extend into the DNA. They are not meant to be given individual "meanings." They each have a signal function but that function will change each time the signal is sent."

(The center symbol, the rectangle with 3 bars, later worked as a gate.) "The Gate of the Sun.... entry into the New Sun of Orion... birthing of the New Star out of Rigel." Note: Refer:
