

**"FALCON OF ANDORA:: STUDY: ARK USED IN LIGHT GROUP PROCESS: USE OF THE FALCON'S FOOT  
(THE CONFIGURATION IS THE "STAR BIRD BELT.")**

**PATTERN, NAMED: "STAR BIRD BELT"**

NOTES: GROUP PROCESS 2 OCT 07

- GROUP MEMBER
- OUTER POLES IN PROBABLE "HALL OF GENERATION"

1. FISH - NEPHEESH THEME RUNNING. THIS PROCESS ALSO PRODUCED A GOLDEN FISH AND 77,000 ASCENDING FISH IN THE CORE BEAM AS THE PROCESS RESULT. "77" SPELLS "ASZ" MEANING STRENGTH/POWER. (THIS IS THE "BO-AZ" PILLAR.) SPELL
2. GROUP HAS / IS THE HEAD-ARK FUNCTIONAL, BEING PHYSICALLY INSTALLED IN ONE MEMBER. THIS IS THE FIRST TIME A "FALCON'S FOOT" APPEARED AND USED THIS WAY. A SIMILAR DESIGN CARVED INTO THE ARK COVER BY 3 LIGHTNING BOLTS, IN A GOLD GLYPH.
3. THERE APPEARS TO BE A PROGRESSIVE GENERATION OF THE "NEW RACE" (AND DNA) NOW HAVING THE NEPHEESH (FISH) SOUL LEVEL DEVELOPED. THIS IS CORRELATING WITH THE TAURUS-ORION FALCON-FOOT MATRIX AND APPARENT GENERATION OF A CELESTIAL "MESSIANIC" PRESENCE LINKED WITH AN ARK AREA INCLUDING THE VAULT OF ORION (GREAT NEBULA OF ORION).
4. THE FALCON'S FOOT ON THE COVER IS CALLED THE "FALCON OF ANDORA." THE HEBREW:

"28" PAIRS THE DIPOLES OF OUR UNIVERSE WITH ITS "ANTI-MATTER" UNIVERSE. IN OTHER WORDS: THE 28-POLE SYSTEM COMMUNICATES WITH TH DIPOLES OF THE ANTI-MATTER SYSTEM AND HARMONIZES THE DIPOLES OF ITS MATTER UNIVERSE TO THOSE IN THE ANTI-MATTER UNIVERSE. (THOTH / MAIA NARTOOMIC)

**Thoth:** The "Falcon of Andora" is the Bird that awakens - it tears open the containment field with it's talons and then reaches into the "ark" with it's beak to extract the beating heart, which it eats. While this may seem a violent symbology - it is all an act of LOVE. Once the Heart of the Sacred is taken from the vault / ark and consumed by the Great Bird of Light, it can never be the same again - it is TRANSFORMED into the vehicle or merkabah of PURE BEING.

Yes, the Falcon and "hawk design" are the same dynamic. When creating the Aeriopax, the Falcon is fully engaged in "consuming the heart."

Main dynamic path / function of the LP40 "Opening of the Lotus." (NOT the galaxy "unfolding Lotus" - but the New Earth Lotus dynamic - which of course, leads to the latter.):

The Falcon of Andora is a HORUS dynamic - an aspect of the whole "HOR'RA" (Tree of Life sephirothic lightning path transformed into a whirling torus).

The configuration of the FALCON-FOOT given above is the "STAR BIRD BELT."
