

FR. HENRI BOUDET'S ARCH: RENNES LES BAINS

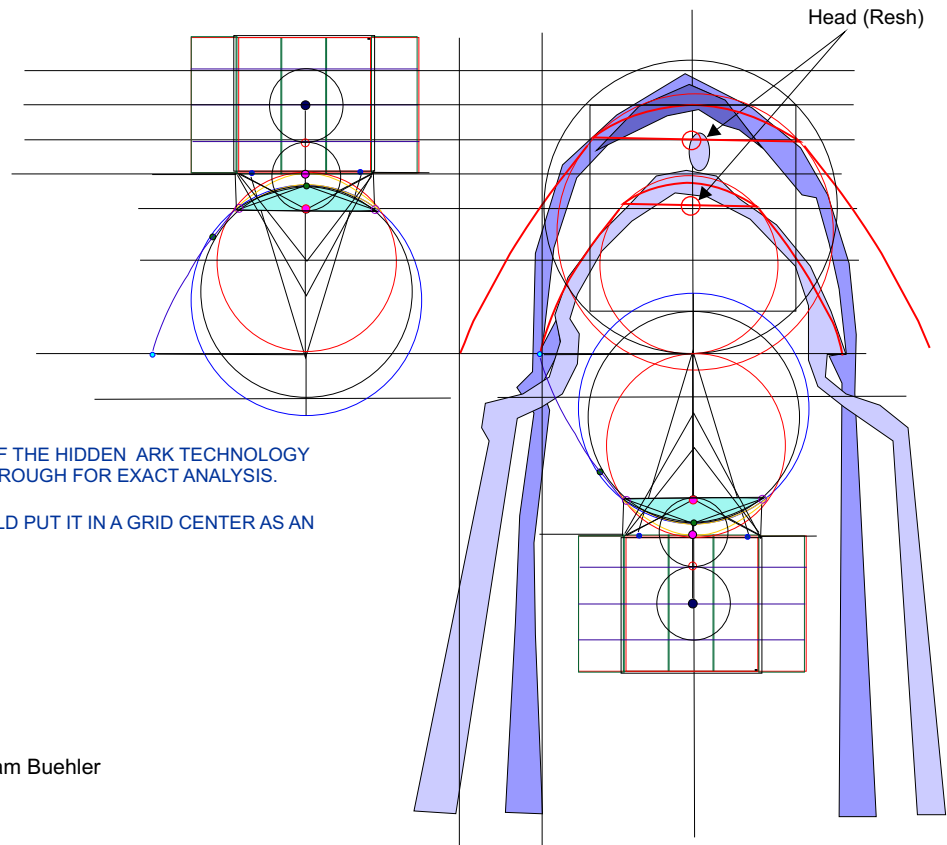

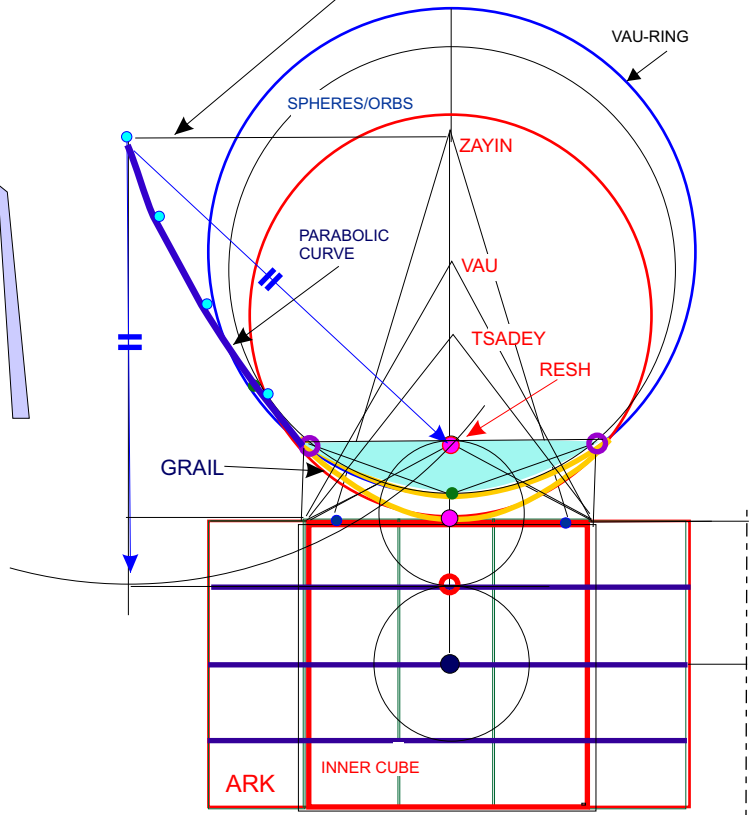

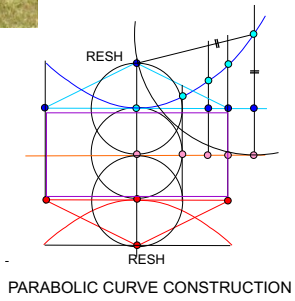

File: Boudet's Arch 01.cdr

HALF OF CURVE SHOWN

HIVE PARABOLIC CURVE EXTENDED FROM THE GRAIL CUP, LIMITED BY THE ZAYIN LEVEL BUT COULD BE MORE IF NEEDED.

SHOWS A STRONG INDICATION OF THE HIDDEN ARK TECHNOLOGY BUT THE ARCH DRAWING IS TOO ROUGH FOR EXACT ANALYSIS.

POSITIONING OF THE ARCH WOULD PUT IT IN A GRID CENTER AS AN "OMPHALOS" POINT.

IT USES THE RESHEL SYSTEM.
