

SEASONS' GREETINGS

FOR THE NEW YEAR, 2004 ...Joan and Bill Buehler

FROM CRESTONE

*If I walk too far and my song fades...
my pace slows, once again I listen for the melody of my soul.
It guides me back to the path of love.
I can choose now to be in the blessing of His love.*

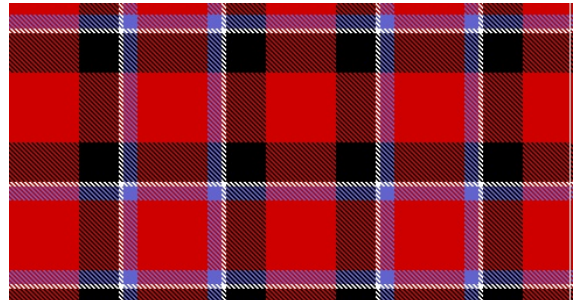

*The gift of the Christ is love. We celebrate the joy of Christ-Mass,
Our strength is in His grace.*
