

## ROSSLYN NOTES: THE GLEN

JACKIE QUEALLY BY ONE OF THE TWO SWEET CHESTNUT TREES (SEEDLINGS BROUGHT FROM THE CONTINENT LONG AGO). EACH TREE HAS A SEPERATE SEX, UNUSUAL FOR TREES.

### PERNCHIRA THRONE:

STONE SEAT WITH OLD CARVING OF A HEAD (RESH). THE NOSE HAS RECENTLY BEEN KNOCKED OFF IN AN EFFORT TO DISEMPOWER THE STONE-THRONE. (AN ANCIENT PRACTICE.) THIS LOW FORM OF SHAMANISM WILL NOT AFFECT THE METATRONIC LEVEL OF THE GLEN AND CHAPEL (RESH POLE) IN THE EDINBURGH RESHEL MATRIX.

THIS STONE SEAT, BY THE RIVER, IS THE SIDHE (DEVIC) SEAT OF MASTERY AND INTER ACTION WITH THE CHAPEL AND HUMANS. IT CONTROLS AN L GATE INTO THE DEVIC REALM. THE AREA IS PRESENTLY CALLED "LOVERS' LEAP" BUT THOTH NAMES IT:

"PERNCHIRA : Pern (or "pan": the quickner/semen of the deep forest/womb) Chi (energy of moon-earth) Ra (energy of sun-earth, in this analogy)."
