

THIS AXIS IS THE SPECIAL CRITICAL ROTATIONAL POSITION (CRP) OF THE APPRENTICE PILLAR RELATIVE TO THE PRIMARY ZION (ULTA) POLE. IT APPEARS TO BE AN 11 DEGREE PARHELION OFFSET FROM THE MATTER-TO-SPIRIT POLE.

UPPER RESHEL SPEAR IS THE SPIRIT-TO-MATTER FUNCTION CONTROLLED BY SPIRIT. MOST OF ITS POLES ARE EXTERNAL TO THE BUILDING.

THE ANNEX IS FORMED AS THE TEMPLAR "FRAMING SQUARE", THE HEBREW LETTER GAMEL. Gamel is a 90 degree bend, the shift from Spirit to Matter via the EDEN point.

BAPHOMET (SKULL is now the Christic Chief Head Stone: RESHEL.)

DALLET GENERATING POLE IS THE "FISH" (LOWER SOUL FUNCTION) as the complementary pole of the spiritual TEYTH (monadic or atrmic pole).

CHRISTOS GLORY POLE, HARMONIC WITH THE "SHEKINAH GLORY" POLE OF THE 5TH STATION.

VAULT OF THE SUN/MOON "BARRIER" WHEN APPROACHING THE DALLET AND BAPHOMET POLES. PLANETARY ALPHA POLE (FROM MT. SCHIEHALLION GROUNDS).

8TH STATION: "ETERNAL NOW": THE KHROSOS POLE IS WITHIN THE MIDDLE PILLAR. This pole is the Time-Gate harmonic. It must be mastered etherically from the 5th Station, after the 6th and 7th Stations.

9TH STATION: "ZION". MASTER STATION OR "ULTA" (ZION) POLE; ACTIVATES ACCESS TO THE HIGHER RESHEL. The skull or Chief Head Stone as the BAPHOMET dynamic, with its Dallet pole, are located in the "Chapel-of-Six" (lower chapel)

7TH STATION: "PILLAR OF THE TEMPLE"; VAU POLE OF HAPATHIA. GENERATES THE DWELLER SPHERE: sphere (TETRATRYON) "Dweller of Divine Fire" contains the angelic and hierarchical consciousness. The pole is contained WITHIN/AS the first central pillar. DWELLER SPHERE contains the ALTAR. VAU POLE centers special 8-point Wheel. APPRENTICE PILLAR is accessed as the TREE OF KNOWLEDGE (SE quadrant) in the special 8-point Wheel. HEEL STONE is in the NE quadrant.

CORE ACCELERATOR BAR

ARC OF SPINNER ROTATION OF THE MATTER-TO-SPIRIT RESHEL SPEAR.

6TH STATION: "SHEKINAH GLORY"; LIFE AND FORM GENERATION IN THE TSADEY POLE. Initiate remains here. Next stations are filled by the Soul ...physical body will follow soul if able, through the Khronos pole. Center of the DWELLER SPHERE.

5TH STATION: "VAULT OF THE SUN"; Combine Moon and Sun; Vault links with the Pools of the Moon/Sun in walls at the 2nd Station, centered by Resh/Skull. West pole of 8-point: "Essence of water creating form", Horizon of Thoth.

4TH STATION: PLACE OF THE SKULL (GOLGATH), IE THE "CHIEF HEAD STONE" (BAPHOMET). Become the Chief Head Stone (Christos) that can not be ignored. Two knights (Dione couplet of male/female) in two Generating Poles.

TEMPLE VAULT

ARIEOPAX SOLAR-IS RING; ROTATES THE TSADEY (GLORY) POLE MANIFESTING LIFE SPIRALS. NOTE THE 1ST STATION ACTION.

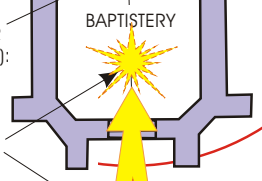

3RD STATION: SHIYN: TRANSMUTATION. Soul has entered matter via Spirit, then entered the Temple (ring) and has begun the Path. Now "reborn" via the Shiyn Pole or "womb".

SPHERE CONTAINING THE TEMPLE VAULT GEOMETRIC. THE "MOON" SPHERE. A HARMONIC OF THE SHIYN OR "WOMB" POLE AT ROOD, SEE 2ND STATION.

TEMPLE VAULT RING

TWO "POOLS OF THE MOON (LIFE)" IMBEDDED IN WALLS.

2ND STATION: ENTER TEMPLE VAULT (RING): BEGIN "PATH OF THE SKULL". SPIRIT-TO-GROUND POLE. 1ST STATION. (Transpose into the add-on Baptistery.)

BASIC PLAN FROM "THE SWORD AND THE GRAIL" BY ANDREW SINCLAIR. GEOMETRY IS ORIGINAL BASED ON RESHEL AND ARIEOPAX FORMAT.
