

MAMRE GRID

CHAKSTI / LONGINUS GRIDS: MESSIANIC GRID

Represents the "Hope of the World"...the decision of humanity to receive grace, versus the path of sorrows. It is an opening, a wayshowing, and in this context a NEW grid emerges (beyond the above discussed) as a result of the coming together in consciousness of the CHAKSTI and LONGINUS (as major, but other minor ones as well). This NEW grid, OUTSIDE OF the earth grids and yet opening from these grids into it...creating it...sustaining it...is the **MESSIANIC GRID**.
