

SEAL OF THE CITY OF SINTRA, PORTUGAL:

NOTE THE TWO MOONS WITH STARS.

1. THE RESHEL GRID USES TWO "POOLS OF THE MOON/LIFE/SIN" WHERE "SINN" RELATES TO THE ASSYRIAN MOON GOD AND GODDESS.
2. THE PLANET HAS TWO MOONS IN NONLINEAR TIME (PAST, FUTURE). THE OTHER MOON WAS DESTROYED IN THE 2ND MARS WAR BUT BOTH ARE USED IN ASCENSION LIGHT WORK WITH THE OTHER TWO CONTINUA REALITIES.
3. ROSSLYN CHAPEL POLARIZES WITH SINTRA, PORTUGAL, USING PILLARS WITH DIFFERING SPIRALS: CW AND CCW.

(MY INTERPRETATION INSPIRED AND PARAPHRASED FROM INFO IN "THE SOURCE" ISSUE 3-88 BY MAIA NARTOONID):

MOUNT SINAI ONCE HAD A "TEMPLE OF SENNA", NAME PREDATES THE LATER ASSYRIAN " SINN", THE MOON GOD WHICH WAS PROBABLY A CARRY-THROUGH FROM THE ORIGINAL CONNECTION.
