

3-RHOMBIC PARHELION

'RION closed circuit of the O'RION stellar matrix.

"May Grace manifest within us a perfected universe. Streams of fire from the Central Flame carry our Spirit to wed the Metatron in all the power of His coming. Rushing of the psalms through the throats of doves return to Her bosom, all. Link by link, the chains respond to the heat of the Shining Presence, melting into one heart of gold. Hail to the Guardians of the Vault: the Bear, Wolf, Lion, Unicorn, Phoenix, Dolphin, Dove, Cameron and the Dyphus. Seal the ring, bind the stone, open the crown; we await entrance."

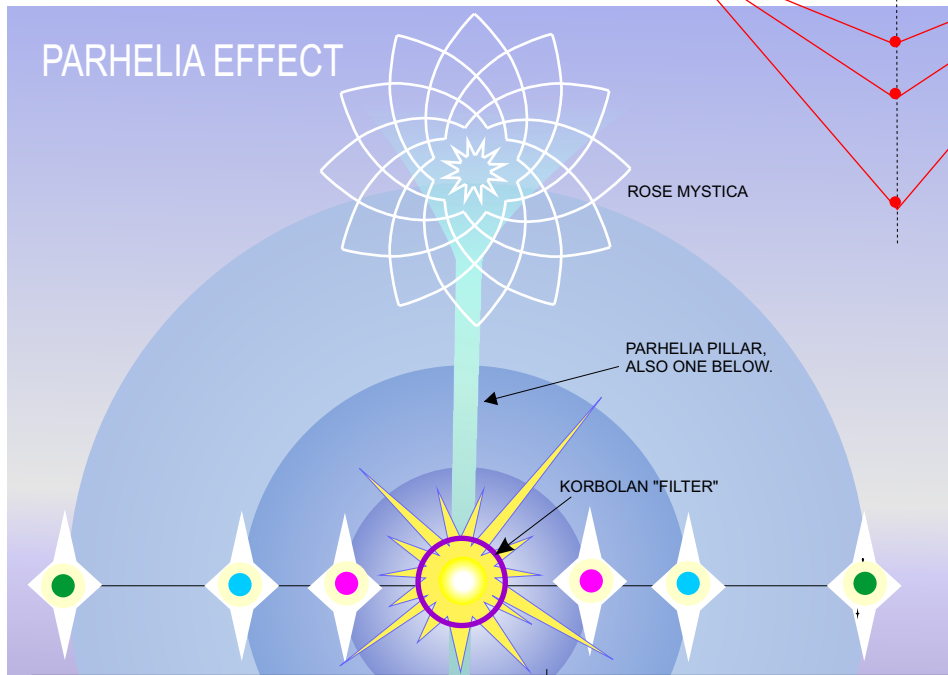

(The pure symbol is a Diamond Dove, flashing.)
