

CHURCH AND CONVENT: "SANTA MARIA DELLE GRAZIE" (1465-1482 CE)

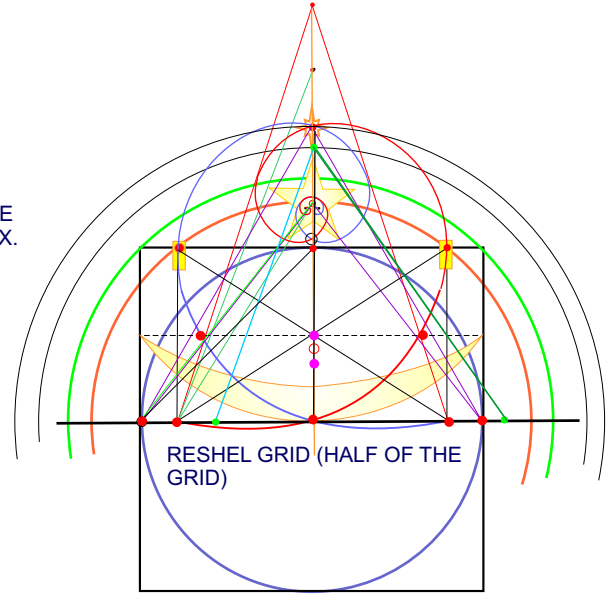

(TEMPLE ORIENTATION NOT KNOWN... PROBABLY EAST)

GEOMETRY SHOWS A STRONG PROBABILITY OF RESHEL GRID USAGE WITH INSTALLED PILLARS AND TIME GATES (GOLDEN RATIO RHOMBS). THERE ARE TWO SYSTEMS WITH DIFFERENT SIZES. ONE SUPPORTS THE WHOLE TEMPLE, THE OTHER CENTERS IN WHAT IS PROBABLY THE TRADITIONAL EASTERN "LADY-CHAPEL."

NORTH?

CENTRAL PILLAR, TIME GATE POINT (KRONOS POLE) APEX.

THE BASIC POINTS DEFINING THE SYSTEM SIZES ARE IDENTIFIED. THESE ARE GREAT PYRAMIC BASE SOCKET POINTS. ALSO ANCHOR THE "HEART OF GOD" EQUILATERAL TRIANGLE, APEX AT THE WESTERN ENTRANCE.

THESE TWO POLES HAVE UNKNOWN FUNCTION

PROBABLE GOLDEN RATIO RECTANGLE WITH SPIRAL

1ST OF 20 PILLARS: GOLDEN RATIO SPIRAL ORIGIN, CW ROTATION. THIS IS ALSO IN THE RING CONTAINING THE POSSIBLE ARK CENTER AND RESH POLE.

ASSUMED EAST: ASSUMED LADY-CHAPEL. THIS SYSTEM IS THE LARGER ONE BUT IS RESONANT WITH THE MAIN TEMPLE SYSTEM.

LOCATION OF THE MAIN TEMPLE'S RESH POLE RELATIVE TO THE CIRCLE IN THE LADY CHAPEL INDICATES KNOWLEDGE OF THE PARABOLIC GRAIL CONSTRUCTION IN THE "ARK OF GRACE" DYNAMIC.

THESE POLES ARE THE FIRST "STATIONS" PRIOR TO ENTRY. THEY :

1. ADJUST TO THE HIGHER METATRONIC SYSTEM (ZAYIN POLE)

2. ENTER THE HIGHER TIME REALM AND ADJUST TO THE TEMPLE CODES (KRONOS POLE APEX). THIS ALSO ACCESSES THE ASSUMED EASTERN LADY CHAPEL.

3. ENTERS THE "SACRED HEART" AND MAZURIEL GATE (VAU POLE).

4. TEMPLE ENTRANCE IN THE PYRAMID APEX OR "GLORY POINT" AND ALSO THE HIGH FREQUENCY TIME GATE. (TSADEY POLE)
