

THIS IS APPARENTLY A HELIOTROPE SYSTEM WITH A "RIDER" SYSTEM TRACKING THE MOON, SIMILAR CONCEPT IN THE ROSSLYN HELIOTROPE.

MOON "RIDER" SYSTEM

MOON CLOCK DISC PROVIDES SACRED CHORD RING

RESHEL SYSTEM USED.

SHOWS THE PRIMARY FORMS IN THE COMPLETE SYSTEM. THE MOON DISK DETERMINES THE SACRED CHORD IN THE DETERMINATE CIRCLE. THIS CREATES AN 8-POINT STAR/WHEEL TO USE AS A "RIDER" TO TRACK THE MOON OR OTHER EVENTS.

THIS SYSTEM MIGHT BE THE "TOWER" VAULT IN A MIGDAL-AYN/AYIN TOWER. IT MAY ALIGN ON THE RHUN HABAR AXIS VIA "THE WASH" (KINGS' LYNN).
